

Sarvesh Kumar Singh

Business Analyst | Healthcare IT & Data Analytics | PMO Support

Hyderabad, Telangana, India (Hometown: New Delhi) | +91 8383995470 | sarveshsingh0203@gmail.com | linkedin.com/in/sarvesh-kumar-singh-699475266

SUMMARY

Business Analyst with experience in healthcare technology, specializing in requirements gathering, cross-functional stakeholder coordination, ITSM ticket and incident management, process documentation, and data-driven reporting. Skilled in using Excel, SQL, Power BI, and AI-assisted tools (Claude) to streamline analysis, testing, and delivery in fast-paced, client-facing environments. Proven track record in process improvement, quality audits, and cross-team collaboration, with a strong foundation in healthcare management and a growing focus on project coordination, PMO, and delivery-driven roles.

CORE SKILLS

Business & Requirements Analysis | Process Improvement & Documentation | ITSM / Ticket & Incident Management | Stakeholder & Cross-Functional Coordination | Data Analysis & Reporting (Excel, SQL, Power BI, Python) | AI-Augmented Workflows (Claude) | UAT & Testing Coordination | Project Coordination & PMO Support | Healthcare Domain Knowledge & Compliance (NABH)

PROFESSIONAL EXPERIENCE

Deloitte USI — Associate Analyst

Hyderabad, India | September 2025 – Present

Supporting technology-driven solutions for a leading U.S. healthcare client.

- Support delivery of technology-driven solutions for a large-scale U.S. healthcare client, translating business and clinical requirements into system configurations and process improvements.
- Manage and resolve incoming service tickets (ITSM) related to system and workflow issues, ensuring timely resolution and minimal disruption to end users.
- Analyze operational and clinical requirements in collaboration with cross-functional technical and business stakeholders to define solution scope.
- Conduct structured workflow-level and UAT-style testing to validate that system changes meet business requirements prior to release.
- Perform peer reviews of configuration changes to ensure quality, consistency, and adherence to documented standards.
- Coordinate cross-environment migrations of build and configuration changes, using Excel and AI tools (Claude) to accelerate reporting and documentation.
- Recognized with two Spot Awards for performance and reliability.

ReyNiKan Healthcare Pvt. Ltd. — Operations Intern

Delhi, India | April 2024 – July 2024

- Supported 10+ compliance audits aligned with NABH hospital accreditation standards, conducting structured gap assessments and preparing compliance reports.
- Analyzed operational data to identify process gaps and recommended targeted workflow-efficiency improvements.
- Collaborated directly with healthcare clients and participated in 5+ on-site assessments, delivering customized quality-improvement solutions across multiple healthcare projects.

EDUCATION

Bachelor of Business Administration (BBA) – Healthcare Management

Amity Institute of Public Health and Hospital Administration, Amity University, Noida, U.P. | 2022 – 2025

Leadership: Batch Representative; Student Coordinator (Alumni Relations); Organizing Committee Coordinator; Industrial Visit Coordinator (Jaypee Hospital, Noida).
